POSSIBLE ENHANCEMENTS FOR VRSEGE APP STRATEGY #2

The strategy shows interesting results and we can apply several other settings to find out whether we can even improve the results.

- ✗ change AvgNH condition
- ✗ change primary numbers pattern
- ✗ change no. of levels
- ✗ change no. of spins per level
- ✗ change ProgAggress

YOU can do it as well! Right now!

Please visit my web: www.VRSEGE.com and start using VRSEGE App today. Be welcome, Petr.
